An NHS Charity

WHH Charity fundraising pack

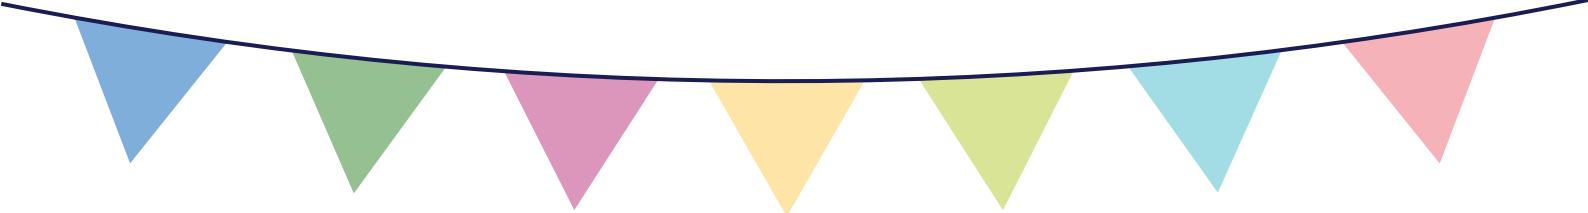

Thank you

Thank you so much for choosing to support WWH Charity. We are delighted to have you as part of our fundraising family and truly appreciate everything you are doing to help make a difference.

This guide is here to support you on your fundraising journey and share how your efforts help patients, staff and families every day.

Celebrating 30 years of supporting healthcare

This year WHH Charity turns 30 and we are inviting our community to celebrate with us by fundraising.

For three decades, the charity has raised funds to provide additional comforts, care and experiences for patients and their families, beyond that which the NHS can provide. Thanks to the generosity of our supporters, we are able to improve patient environments, fund additional equipment and facilities, and provide important complimentary services that help enhance the overall patient experience.

Take on the 30 for 30 challenge

To mark our 30th year, we are inviting people across Warrington and Halton to take part in our 30 for 30 fundraising challenge.

The idea is simple. Choose a challenge linked to the number 30. Every pound raised will support our work wherever the need is greatest, helping us respond to what patients and families need most, when they need it most.

30 for 30 ideas

Looking for inspiration?

- 30 minute walk for 30 days
- 30,000 steps in a day
- 30 miles in 30 days
- 30 days without something, such as takeaways, coffees or online shopping
- Create your own 30 for 30 challenge

If you can count it, you can fundraise for it.

How to get involved

You can start fundraising through our [JustGiving page](#) so friends and family can donate in a few clicks or make a direct donation.

There is no right way to fundraise – pick what suits you.

How your fundraising helps

WHH Charity is here to make a positive difference for patients, staff and local communities. From funding pioneering research and providing state of the art medical equipment, to supporting staff wellbeing and development, every gift helps improve care where it matters most.

We work closely with hospital teams and departments to enhance patient experiences and outcomes at Warrington and Halton Teaching Hospital. Every penny you raise is spent locally, helping to improve health and wellbeing across Warrington, Halton and surrounding areas.

Your fundraising really matters

Since 1996, generous supporters like you have helped us invest in projects that make a meaningful and lasting impact within our hospitals.

With your support, we can:

- purchase state of the art equipment, technology and training
- fund WHH related research and innovation and help enhance and transform hospital environments
- provide extra comforts and special experiences for patients, carers and visitors
- support the health, wellbeing and development of our incredible staff

Whatever you raise, you are helping to make our hospitals even better places to receive care and to work.

Our fundraising tips

Choose an idea or activity that excites, inspires or challenges you. Fundraising should be fun and rewarding, and no matter how much you raise, you are making a genuine difference. Whether you are planning a quiz night, a sponsored fitness challenge or something completely unique, our team is here to support you along the way.

Make the most of your fundraising challenge

To help your fundraising go smoothly, here are a few key steps to consider.

Pick a date

Once you have chosen your challenge, set a date. It is worth checking what else is happening around that time so you can either join in with other activities or avoid any clashes.

Choose your location

Decide on your location or route in plenty of time, especially if permissions or bookings are required.

Set a target

You will be asked to set a fundraising target when creating your giving page. A clear target helps motivate you and your supporters. Be realistic and remember that every penny raised makes a difference.

Your giving page

The safest and easiest way to collect and send your fundraising to us is through an online giving page. We recommend JustGiving.

To get started:

- [Visit JustGiving](#) and set up your page at
- Select 'Start fundraising' and follow the simple steps
- Personalise your page with photos linked to your challenge
- Use your full name so friends and family can easily recognise you
- Name WHH Charity in the main body of your text
- Share your postal address if prompted and you would like us to stay in touch

Returning your funds

There are several ways to return the money you have raised. To find out more, please contact our friendly team on 01925 662666 or email whh.charity@nhs.net.

Thank you again for your incredible support. Together, we are making a difference every day.

Share your story

Sharing your story is one of the best ways to inspire support. Use social media to tell people why you are fundraising, share your giving page and keep everyone updated on your progress.

Stay in touch with us and we will help share your story.

Gift aid

By ticking the Gift Aid box I confirm that I am a UK Taxpayer and understand that if I pay less Income Tax or Capital Gains Tax in the current tax year than the amount of Gift Aid claimed on all my donations it is my responsibility to pay any difference. I understand that WHH Charity reclaims 25p for every £1 that I donate. If you change your name, address, or tax status, please let us know via whh.charity@nhs.net or call us on 01925 662666.
